

LIIS LEPLER

ABOUT ME

I'm an enthusiastic 23-year-old and a recent graduate from Jönköping University, where I specialized in New Media Design. Throughout my academic and professional journey, I have gained practical experience in UI/UX design, graphic design, and frontend development. Working in teams has been particularly enjoyable for me. I have a strong desire to continuously learn and explore new ideas, and I'm always eager to bring creativity to the workplace and projects.
